2. Future Plan :

The cell since its inception in 2004 has been involved in socio – cultural and extension activities. In the recent time, the Cell has included and explored newer areas for the greater benefit of the community. The cell has divided its activities into four broader areas – Academic, Research, Internal and Extension activities.

The cell in its past has organised quite a good number of extension research, academic and internal activities. It has applied for the status of ‘Centre for Women’s Studies’. The cell members are proud of its past, committed to its present and hopeful of its future. With this aim, JB College Women Cell has set the following goals as part of its future plan:

- i) To hold one or more National Seminars on socially relevant issues.
- ii) To hold different workshops for the benefit of people from different social stratas.
- iii) To organize awareness camps, health check up camps, popular talks etc.
- iv) To publish Research Journals.
- v) To upgrade the Day Care Centre to a Preparatory / Play School.
- vi) Running continuous projects under extension activities will continue.
- vii) Regular publication of ‘Srotoswini’ –the Bulletin and the Journal of JB College Women Cell will continue.
- viii. To organise an International seminar in the near future
- ix To upgrade the Cell into status of Centre for Women’s studies
- x. To do more of research projects on issues pertaining to womens.
